

ST LAWRENCE DISTRICT

Guide for filling out the Monthly Contribution Form 2017

In order that the local church contributions to CMA ministries in Quebec are properly accredited to the correct account, it is very important to include this form, properly filled out, with the church's monthly contributions. Print copies of the Contribution Form as needed.

Mission Quebec / Canadian Ministries (MQ)

Monies given by church members or by the church via son budget to support the ministry of the CMA in Quebec.

District Operating Budget (DOB)

All CMA churches in the St Lawrence District are to contribute 3% of their offerings to the District Operating Budget. This is not a voluntary donation but was approved by delegates to District Conference, May 2007. The 3 % contribution is to be calculated on total offerings given to the church's general operating fund, and not on any designated gifts, such as Mission Quebec, GAF, Alliance Women, IBVIE, Ambrose, Building Fund, etc.

Alliance Women

This is for the International Project of Alliance Women Ministries

Officers & Administrators Insurance

Annual premium for the group insurance policy for all local church board members in CMA churches in Quebec.

District Group Insurance Plan (Wawanesa)

This is for the premiums of those pastors who are members of the District Group Insurance Plan with Wawanesa.

Other

Write the name of the project to which the funds are designated. If there is more than one project, identify them separately, with the corresponding amount.

Total of contributions

Write in the total of all contributions. This amount should be the same amount as on the cheque. Cheques are to be made out to *Christian & Missionary Alliance in Quebec*, or *CMA in Quebec*. Various amounts may be included in one single cheque.

District ministries are funded mainly by the CMA churches in Quebec so your monthly church contributions are greatly appreciated.
