Meetings

It should be noted that all the committee meetings started with a time of prayer and a Bible study shared by the committee president Serge Breault.

The committee met for the first time on August 6, 2016 at the Ministry Centre to establish an initial contact. The committee also took time to pray, to plan a schedule and to become familiar with the task and the policies governing the committee. Following this first meeting letters calling for candidates for the position of District Superintendent were sent to the churches.

A second meeting was held via Skype on October 20, 2016. During this meeting, the committee began to discuss the desired characteristics for the next Superintendent. Also Michel Vézina reported that four members of the District Executive Committee (Dexcom) were not allowing their names to stand, three wished to continue and one was still in the process of making a decision. This person has since decided to continue on the District Executive Committee. Other potential candidates for Dexcom were also suggested.

The third meeting was held on December 4, 2016 at the Ministry Centre. At this time, the committee was blessed with the presence of Greg Langman and Dave Enns who led us in a time of discerning God's will individually and with respect to the district. During this meeting, the committee was made aware that Reverend Michael Gagnon (interim Superintendent) had posted his candidacy for the position of Superintendent.

FINAL REPORT TO THE CHURCHES**

The fourth meeting was by skype on January 5, 2017. After having gone through a discernment process at the last meeting, we reviewed the desired characteristics for the next Superintendent. We also reviewed the potential candidates for Dexcom. There were now three other people who had shown an interest in the Superintendent's position: Reverend Troy Wiesner, Reverend Claude Noël and Reverend Doctor Kenzo Mabiala.

The fifth meeting of the committee took place on February 4, 2017 at the Ministry Centre. Candidates Michael Gagnon and Claude Noël were interviewed during this meeting. Reverend Jacob Birch of the Eastern District helped with the interviews. His expertise in behavioral interviews was a blessing to the committee. The two candidates were questioned on their vision for the district as well as concerning their competencies related to the Superintendent's position.

The sixth meeting was held March 25, 2017 at the Levis ACM church. Troy Wiesner and Kenzo Mabiala were interviewed. Again the committee was assisted by Reverend Jacob Birch of the Eastern District. The two candidates were questioned on their vision for the district as well as concerning their competencies related to the Superintendent's position. Also the final list of candidates for Dexcom was decided.

### Thanks

The committee thanks all who stood by them in their work through prayer and with words of encouragement. We also want to underline and thank the Central and Eastern Districts for their support. They graciously offered the services of their workers Greg Langman, Dave Enns and Jacob Birch. We would like to thank them particularly for their time and precious help in this process.
