

Christian and Missionary Alliance in Quebec

OBJECTIVES

1. Nurture the vision of our Alliance family of churches to be transformed communities transforming their parish, our nation and the world: through a contemporary incarnation of the character and priorities of Christ.
2. Recruit, develop, deploy and accompany workers with a transformed and transforming mindset who reflect the character, the values and the priorities of Christ in their lives and service.
3. Promote the development and planting of churches via contemporary means which are adapted to the context in which they serve.
4. Stimulate the training of disciples and leaders in our faith communities who are consecrated and reproducing, serving through the power of the Holy Spirit in consecrated and reproducing churches.
5. Cultivate our passion to be disciples, leaders, workers and churches “without borders”, within the distinct Quebec heritage entrusted to us by God.
6. Collaborate in the development of the vision and mission of the Alliance in Canada as well as with other like-minded organisations.
7. Assure proper oversight and management of the District, our churches and accredited workers.
