Who we are:

Bread of Life Arabic Alliance Church is a new planted church in Montreal, that started in September 2018. We address the Arab community [Egyptians, Syrians, Lebanese...]. As an ethnic church we have a growing congregation and a growing children ministry that needs a leader who can communicate with our new generation that cannot read and communicate with the Arabic language, rather they prefer English or French.

Vision:

- **Helping people know Jesus and experience the transforming power of His love.**
- The three main steps of our vision are: 1) Knowing. 2) Experiencing. 3) Transformation.

Values:

- **Christian Love:** We are one Christian home where everybody is accepted, loved, and nourished to grow and transform into the image of Christ.
- **Discipleship:** It is a lifetime process for every Christian.
- **Mission:** A born-again Christian is a lifetime missionary.
- **Stewardship:** We aspire to live as faithful stewards upon every talent given to us from our Lord.
